

# SILURON 2000

**NEW**

More Information:  
[www.fluoron.de](http://www.fluoron.de)

**Intelligent mixture:  
dynamic viscosity – highly  
resistant to shear forces**

**2000 mPas – perfect  
for small incisions**

The new premium silicone oil tamponade  
for ambitious retinal surgery:

- Perfect long-term tamponade due to optimized viscosity mixture
- Refractive index 1.404
- Viscosity 2000 – 2400 mPas (at 25°C)
- Efficient application with 20/23/25 gauge

**G-80740 SILURON 2000**  
syringe 10 ml, **sterile**
